Small Project or Non-Construction Study^b

4. **Date of Substantial Completion^c**

5. **Estimated Project Cost^d**

6. **Nominating Engineer^e**

Name

Company/Agency

Street Address

City/State/ZIP

Email

Phone Number

ASCE Membership Number

^a Qualifying projects must be located within the 9-county Seattle Section area (King, Snohomish, Kitsap, Whatcom, Skagit, San Juan, Island, Clallam, and Jefferson Counties).

^b "Small Project" is defined as any type of project with a construction cost of less than \$1,500,000. A project with a construction cost of less than \$1,500,000 may compete in any category. The same (construction) project may be submitted in multiple categories. However, if a project is entered in the "Small Project or Non-Construction Study" category, it will **not** be considered in any other category. A Non-Construction Study can **only** be submitted under the "Small Project or Non-Construction Study" category.

^c Qualifying projects must be substantially complete during calendar year 2017.

^d Approximate construction cost or (for non-construction studies) approximate study cost.

^e Nominating Engineer must be a member of the ASCE Seattle Section.

Name / Contact Information

10. Project Description (200-word limit.)

11. Project Summary Description (One paragraph suitable for insertion into a brochure or article.)

13. Evaluation Criteria Narrative

Using the following outline, describe in a few paragraphs how the project achieves the following evaluation criteria. If any of the criteria are not applicable to your project, please justify.

a. Innovative Features

b. Excellence in Design

c. Contribution to Public Welfare and Safety

d. Compatibility with the Environment and Sustainability

e. Cost Effectiveness

f. Aesthetics

g. Effective Use of Materials

13. Evaluation Criteria Narrative, continued *(Use this additional space if needed.)*

14. Supporting Materials

a. Reduced Scale Plans

Please submit reduced scale plans or other supporting material in Adobe™ portable document format (.pdf). If submitting excerpts from a plan set, please submit only those sheets necessary to understand the project. (Typical details, sections, quantity summary sheets are not needed.) Non-Construction Study submittals can include relevant tables and graphs showing data and analysis results.

b. Photos

Please submit four to six color digital images that illustrate the project. Non-Construction Study submittals may include relevant illustrations and sketches. Images should be in .jpg format with a minimum resolution of 1024 × 768 pixels when possible, so that ASCE Seattle Section may use these images in a PowerPoint™ presentation during the awards ceremony presentation.

SUBMITTAL INSTRUCTIONS

Step 1. Fill out and save the entry form above using Microsoft Word™ or an Adobe™ software product (e.g., Reader or Acrobat), OR print and fill out a paper copy of the form and scan and save as an Adobe™ portable document format (.pdf).

Step 2. Submit the completed form (Microsoft Word™ or Adobe™ .pdf format), along with any supporting materials (see Item 14) via email to:

seattle.locea@gmail.com

.....

All entries must be received prior to 11:59 p.m. Friday March 10, 2017.

.....

If you require alternate submittal options or have any questions, please contact
Evan Sheesley (evan.sheesley@abam.com or 206-431-2352).
