### Summer Picnic and Elections

**Thursday, June 2nd, 5:30pm-8:30pm**

**@ Volunteer Park**

**1247 15th Ave E**

**Seattle, WA 98112**

Our annual year-end picnic is coming to Volunteer Park on Capitol Hill! This is a great opportunity to network, hear updates on YMF activities, learn more about student outreach we are involved in and professional development opportunities we have available!

We will also be electing our new officers so grab a few co-workers and help kickoff the summer with the YMF. Ezell's famous fried chicken will be provided, but please bring a side or dessert to share as well.

Please contact President Elect [Jared Nakamoto](#) if you have any questions or are interested in an officer position for 2016-2017

### May Community Service - Storm Drain Marking

**Saturday, June 4th, 10:00am-12:00pm at The Landing in Renton,WA**

May is "Puget Sound Starts Here" Month!

Come learn and help educate Renton residents in pollution prevention techniques.

We'll mark storm drains with "Only Rain Down the Drain" decals, test your stormwater knowledge, and distribute educational materials to the public.

**Please wear closed toed shoes and bring an appetite for lunch.**

RSVP to Kristina Lowthian at [nalani83@gmail.com](mailto:nalani83@gmail.com) for location details. When responding, please indicate if you need or could provide a carpool.

## Supercharge Your Career Series -Career Development

**Younger Member Leadership Symposium - Registration Now Open**

**Friday, August 5th - Sunday, August 7th, 2016**

**ASCE Headquarters in Reston, VA**

Registration is now open for the 2016 Younger Member Leadership Symposium slated for August 5-7 at ASCE Headquarters in Reston, Virginia. This two-day leadership symposium will offer interactive sessions on professional development topics you need to progress in your career. Registration is free and stipends of \$135 will be available on a limited basis to help off-set the cost of travel. A pre-conference tour of the United States' Capitol in Washington DC, will start off the weekend. Make your plans and register early for this fun, informative weekend.

### Volunteers Needed - Escape From Gilligan's Island

**August 2nd-4th, 9:45am-3:45pm**  
**@ Kent-Evergreen Girls Scouts**  
**Maple Valley and Renton**

The Kent-Evergreen Girl Scout Day Camp in the Maple Valley/Renton area will be challenging their campers this year to create life raft prototypes to 'escape from Gilligan's Island.'

They are looking for volunteers to come in and teach the campers the basic scientific and engineering principles behind design, buoyancy, surface tension, etc. as well as guide them through their building process.

Volunteers would be needed from about 9:45-3:45 on August 2nd, 3rd, and 4th. They would be teaching 6 different groups a day in about 30 minutes sessions (very little teaching, much more doing).

If you have questions or are interested in being a part of the fun and exciting STEM activities during camp, please contact Sonja Griffing at [griffingsds@yahoo.com](mailto:griffingsds@yahoo.com).

## Emerging Leaders Alliance - Accepting Applications until July 1st

**November 9th - 12th, 2016**

**@ Westin Tysons Corner in Falls Church, Virginia**

The Emerging Leaders Alliance (ELA) is a partnership between engineering, research, and science-based organizations dedicated to leadership development. The ELA promotes great leaders within the technical community, arming them with broad skills to address the needs of people in the 21st century.

The ELA hosts an annual interdisciplinary leadership conference, providing training in topics such as social styles, leading innovation, global and virtual team leadership, and more. The Conference is an exciting opportunity to participate in hands-on leadership training with members of leading engineering, research, and scientific organizations.

For further information and specific participant criteria, visit the [Emerging Leaders Alliance web page](#).

## **Engineering Rocks!**

Our K-12 Event for the month of May was a huge success. Hundreds of children stopped by our tables to learn about Civil Engineering and do some hands on activities with our Younger Member volunteers. Thanks for everyone that came out and made this fun event successful!!!
