Dear ,

We have a lot of great events planned for this fall. YMF leadership is officially transitioning next month. Check back on the ASCE YMF Board to get to know your new officers as we update the positions on the site this month.

The Seattle YMF had our first Happy Hour this month. There was a great turnout! Everyone gathered at Rhein Haus to catch up and enjoy drinks, appetizers, and bocce.

For more pictures of our recent events, 'like' us on [Facebook](#). Also see the gallery on the [Seattle ASCE website](#) for photos from previous events.

And be sure to scroll down for for upcoming events (**especially the year's first eastside happy hour next Thursday!**)

Seattle Section Sustainability Committee - Communications Chair Opening

The Sustainability Committee is still looking for a Communications Chair for this year!

Do you enjoy meeting a broad range of people such as in the public sector, K-12, consulting, energy industries and more that all have a green passion behind them? How about being part of a welcoming group of sustainability leaders to achieve a common goal? Do you also enjoy developing content to reach a broader audience (such as these newsletters and our website)? Well, if you answered yes to any of those, you should go for this opening!
