Dear ,

Thank you all for attending our 2016 Holiday Party at The Garage in Capitol Hill! We had a great turnout and as a result, were able to donate loads of toys and games to the local Toys for Tots! *Please scroll down and read below for updates...*

And see you in 2017! Have a wonderful holiday!

Like us on [Facebook](#) and check out the [website](#) for photos.

On Behalf of the YMF Officers and Chairs,
Schyler Hect
Seattle ASCE YMF Secretary

Annual YMF Ski Retreat

February 24th - 26th, 2017
Mt. Hood, Oregon

We will join the Portland, Bellingham, and Tacoma ASCE YMFs at Mt. Hood for our annual Ski Retreat in late February. Please let [Elyssa](#)

Dixon at elyssa.dixon@gmail.com know if you are interested in joining so we can evaluate cabin needs or if you have any questions. More information will be available at a later date.

ASCE Soccer Team

Wednesday evenings, January 2 - March 18
Fields around Seattle

Come join your fellow engineers to play soccer! Any experience level is welcome. Please let **Elyssa Dixon** (elyssa.dixon@gmail.com) know if you are interested.

Volunteers Needed - Upcoming Popsicle Stick Bridge (PSB) Competition!

The PSB committee is still looking for volunteers for high school visits. The high school visits consist of bringing the materials to the schools and a brief presentation on the competition and engineering.

The visits are to help build interest for the event, educate high school students about engineering and to save time and costs on delivering supplies. There is most likely a school or two on the list that is near where you live, work, or even one you might have attended yourself!

School visits will occur in December and January, as the competition is February 4th. We will also be seeking volunteers to help the day of the event at a later time.

If you are interested in helping out the school visits, please contact **Christopher** at Christopher.Rhodes@parsons.com, **Bianca** at biancasem819@gmail.com, or the school outreach coordinator at psbschooloutreachcoordinator@gmail.com.

Volunteers Needed - Lake Stevens High School Civil Engineering Club

Volunteers Needed for the Lake Stevens HS Civil Engineering Club

The Lake Stevens HS Civil Engineering Club can always use volunteer engineers to be guest speakers or to help lead one of the ASCE-provided hands-on activities.

Please contact **Melissa Wu** at mwu@ch2m.com and/or **Nigel Lyons** at nigel.lyons.uw@gmail.com if you are interested in getting involved!
